Dear Mr. Hansler,

Thank you for your generosity in funding the Canadian Vintage Motorcycle Scholarship at Centennial College. Canadian Vintage Motorcycle Group's gift has helped to build a bright future for a student in their pursuit of post-secondary education.

Despite difficult hardships faced by many throughout the pandemic, we are so humbled by the ongoing generosity of our Centennial College community. Thanks to remarkable donor support, we have awarded over \$900,000 in donor funded scholarships and bursaries to close to 800 students in the 2021-2022 academic year. We cannot say thank you enough.

Moreover, thanks to friends like you, Centennial College is well on its way to another banner year. Your investment not only removes financial barriers for students, but also empowers students as they navigate living and learning through a global pandemic and other barriers they may face.

Through this scholarship, you are encouraging, inspiring and motivating students as they work towards their future career goals. Your support is incredibly meaningful to students, now more than ever.

Thank you for championing our leaders of tomorrow and for contributing to Centennial College's mission to educate students for career success. We could not accomplish this without Canadian Vintage Motorcycle Group.

With gratitude,

Sandra Harris
